## Stop the Presses! Save the Date! The BHRG Basset Bash is Back!

Our **Annual Basset Bash** (the 28th!) will be back live this fall. Save the date – **Saturday, November 6<sup>th</sup>**. It will be held in the large pavilion at Fowler Park in Cumming, Georgia, where we will play hound games such as What Won't That Hound Eat?!? and an Obstacle Course, hold our Longest Ears and Costume Contests, pause for our Memorial moment, and much more. This year instead of a potluck we will have a variety of Food Trucks for your dining and drinking pleasure (we will also have bottled water, as usual). Stay tuned for more details. You can register by

completing the form in the newsletter or sending \$10 per person to our PayPal account, [bhrspringfling2018@gmail.com](mailto:bhrspringfling2018@gmail.com). We can't wait to reconnect in person!

The theme for this year is **Back To The Bash**. Our pups can hardly wait to get there. You can order your Bash t-shirt online at <https://bhrspringfling2018.ecwid.com/> or you can mail in your order form (found inside this special Bash edition of the newsletter) to **Marci Thomas, 3906 W. Vasconia Street, Tampa, FL 33629**. Prices include postage. All shirts will be mailed so that you have them in time for the Bash. There will be NO pickup of shirts at the event. Also, we will not be ordering extra shirts and the order deadline is **September 20<sup>th</sup> so don't delay...order your Bash Gear today!**

### We Need Your Help!

**Bash Raffle Donations** Everyone loves a good RAFFLE! Our raffle table wouldn't be complete without your donation items!

Everyone loves our raffle table that's jam-packed with awesome raffle items. But, we can't load up our raffle table without donations from you! From dog beds to artwork, no item is too big or too small for the raffle. Don't know

what to donate? How about a gift basket packed with dog treats and toys? Or, what about a bucket of snacks and supplies for the perfect tailgating party? What about a grill for cooking treats for your hounds? Have an item that can be paired with something else? We'll take it! The options are endless and all donations are 100% tax deductible and all money raised from the raffle goes directly to the hounds. If you have a **donation** to add to this year's raffle, please contact Lisa Dastous ([ldastous@gmail.com](mailto:ldastous@gmail.com)) or Rosemary Glennie ([rglennie@bellsouth.net](mailto:rglennie@bellsouth.net)).

**Volunteers!** If you'd like to volunteer for our organizing committee (we need a LOT of help with 400+ expected to attend), please contact Lisa Dastous ([ldastous@gmail.com](mailto:ldastous@gmail.com)) or Rosemary Glennie ([rglennie@bellsouth.net](mailto:rglennie@bellsouth.net)). We also need volunteers to help DURING the Bash - set up/take down/games/judging of games/registration table, etc.

## Sponsor the Bash!

We're excited to continue our Bash Sponsorships, which have been so popular the last few years. We're offering four sponsor levels for 2021. These sponsorships help offset the costs incurred by BHRG for Bash expenses so that more of our funds can go to help Georgia's homeless hounds. Don't miss out!

**Amazing Adopter - \$1,000**

**Fabulous Foster - \$750**

**Fearless Finder - \$500**

**Terrific Transporter - \$250**

**Supporting Sponsor - \$100**

All Sponsors will be acknowledged at the Bash, on our website, on our social media, and in our post-Bash newsletter and receive free admission to the event.

Head over to <https://bhrspringfling2018.ecwid.com/> for more information on becoming one of our Bash Sponsors. **Sponsorships will be accepted until the day of the event!**

## New BHRG Volunteer Opportunities

You can probably imagine that it takes MORE than a village sometimes to keep BHRG running! We are in desperate need of not only fosters (see page 3) but also a coordinator for our twice yearly newsletter - someone to handle gathering all content, etc. to provide to our graphic designer as well as arrange the newsletter mailing "party" (and organize the volunteers for that event). If you are looking for a way to get involved with our rescue group, this is a great place to start! Please contact Rosemary Glennie at [rglennie@bellsouth.net](mailto:rglennie@bellsouth.net).

We are also still looking for BHRG Transport Heroes! If you would like to be called on to help, please send a note with the following info: 1. City and county of residence; 2. Name and contact info; 3. How far are you willing to drive?; 4. Times of availability? Weekends only? Nights? 24/7? Weekdays from 10:00am to 2:00pm? Please let us know! Send an email to Amanda Janes at [ajanesbhr@gmail.com](mailto:ajanesbhr@gmail.com) OR Rosemary Glennie at [rglennie@bellsouth.net](mailto:rglennie@bellsouth.net).

## Help BHRG While You Surf the Net!

You can stop by our website at [bhr.org](http://bhr.org) and make a donation through PayPal, check out our event calendar (and mark your calendars for our BHRG Bash), or access a copy of the newsletter.

**Stop!** Before you head to [Amazon.com](http://Amazon.com), swing by [bhr.org](http://bhr.org) - on the bottom of the page, you will see a list of BHRG Affiliates. It's just a simple click! Browsing FROM our site TO Amazon and making ANY purchase will benefit our rescue organization. Buy school books, clothing, household goods, craft supplies, or even groceries. Amazon contributes a percentage of each item purchased from our link to their site (the old Amazon Smile program contributed MUCH less and BHRG is no longer participating)! Use your frequent flyer credit card and make it a double win-win!

## Memorial Ceremony and Pet Blessing

Each year, we honor the hounds that have made their way across the Rainbow Bridge. This is a very moving moment during the Bash as we pause to recognize their loss. If you have experienced a loss since the 2019 Bash, please let us know with your Bash registration by sending in the following information: your name, your hound's name, date of passing, and BHRG year, if applicable (your hound does NOT have to be a BHRG alum to be remembered). You may also do this in person at the Bash registration table.

### Don't Forget

Look for the following forms inside that are essential for your best Bash experience:

-  **Bash Registration form** - must be received by November 1<sup>st</sup> (also, you will pay \$20 per person at the door if your registration is dated later than 11.1.21) - and let us know if you have experienced the loss of a hound since the last Bash.
-  **T-shirt pre-order form** - must be RECEIVED by September 20<sup>th</sup> so we can have the shirts printed.
-  **Vet Services** - Riverside Animal Hospital will be at the Bash to offer nail trims, **microchipping** (BHRG chips all of our foster hounds and we definitely recommend you chip your hounds, too!), and **discount vaccinations** during the Bash this year. Don't forget to bring an extra check or cash to ensure your hounds are protected by annual vaccines as well as the simple technology that can assist you in recovering your beloved hounds if they wander off.

## Fosters Are Always Needed

BHRG has been rescuing bassetts of all ages, shapes, sizes, dispositions, and various levels of physical health for 30 years!! That's right, 30 years and still going strong. As you may have learned, we will not turn a hound in need away. This is an incredible feat that requires the help of our entire village, a village comprised of fundraisers, donors, liaisons, transporters, vets, fosters, other volunteers, and adopters, amongst a vast network of cheerleaders. Over the years our organization has experienced the highs and lows that come with the risks and rewards of doing what unites us all, our love of this unique breed of low riding, long eared, toddler like, Frito smelling hounds we simply can't live without.

Each and every volunteer with our organization is critical to the overall health and longevity of our rescue and the hounds we serve. When COVID exploded on the scene last year we did not know what to expect. Surprisingly, and much to our delight, the foster and adoption numbers increased while the intake numbers did not. Despite the limitations imposed on many of our standard processes, we were able to successfully pursue our mission to leave no hound behind. Now as we continue to navigate an unpredictable landscape, our volunteers are more important than ever, and we'd like to highlight exactly how our fosters contribute to the success of helping the hounds we all love.

Opening your home to a foster requires compassion, patience, and courage. Many of you are familiar with the stories of Doc and River, both of whom require more from their fosters than our usual run of the mill foster hounds. Because their fosters are committed to going the extra mile, these boys are both doing very well and the tiniest triumphs are celebrated. Both boys are also young, but will likely be forever fosters because of their special needs. How about fostering a pregnant mama like Mailie? After they were born, many of us delighted in the updates of the puppies before they were adopted. Now we all cheer Mailie, now Molly Mae, on as she continues to adapt to the life she deserves with her forever family. Don't forget about Eden who came in with River and Mailie. She is also thriving under the care of her amazing foster mom and has had a meet and greet or two, but her foster mom is committed to continue working with her until the right family comes along. Our buddy Ryder has been in foster care coming up on two years. His fosters have patiently and painstakingly given him injections twice a week the whole time to clear up his atrocious allergies, and now

## **continued from previous page**

we're racing against the clock and Atlanta traffic to try and manage his recent diagnosis of amelanotic melanoma. These are just a few hounds many of us have come to know recently that are lucky enough to be cared for by our awesome foster network, and we have many other amazing senior, forever, and "fostpice" foster families we simply cannot thank enough!

Fostering is bittersweet to say the least. Getting a hound successfully adapted to life in a functional home is often times no small task. Ask any of our amazing fosters that take on the young and energetic hounds, many of which aren't potty trained or have possession or food aggression. Nevertheless, saying goodbye is so very hard to do, but they do it anyway so they can help another hound in need of a loving home and a little guidance en route to their forever homes. Cursing the destruction and potty accidents they leave in their wake, the fosters for our younger hounds are grateful they're usually a quick turnaround, but they will tell you these little stinkers can steal your heart and take a tiny piece as they go despite the chaos and short duration of their stay.

Whether you prefer young or old, healthy or sick, active or more sedentary, we do our best to match our fosters with the right hound much like we do with forever families because we want the experience to be a success for all parties involved. If you foster a hound you realize you simply cannot send on to another family, foster failure is cool, too! Fosters are always needed, even if only to be on call for when that blind senior who doesn't need steps to contend with, or that wild 2 year old that refuses to stop being a puppy, or that hound that needs a home without any other fur babies, or even the hound that needs the support of a well-functioning pack. We never know what type of hound(s) will come in from our amazing intake network, and we will not turn any of them away. The kennel is a lovely facility but can still be quite stressful for the hounds, and doesn't really provide the level of observation required to answer the questions many of our potential adopters have. We need all of the compassionate, patient, and courageous folks we can get in order to cat test, nurse back to health, socialize, potty train, and simply love these hounds that deserve a second chance for happily ever after. Please consider the possibility of being greatly rewarded for taking a risk on fostering a hound in need.

## **Foster Humans...We NEED You!**

Won't you consider becoming a Foster Home to one of the many we have in our care? As you know, BHRG has never turned down a Basset in the state of Georgia. If we don't have a home for them to go to, they have to live in our kennel until they get adopted or a foster home opens up. YOU can make a difference in their life if you open up your heart and home and help that hound know the love and comfort they deserve! Here's where to start:

[http://www.bhrg.org/foster\\_application.htm](http://www.bhrg.org/foster_application.htm).

-  How does it work? Our AMAZING Foster Coordinator, Whitney Harper, will contact after receiving your application and chat about your home and lifestyle. She knows our hounds best and can match one that will fit in with your family.
-  Do I have to pay for stuff? NO! All vetting, heartworm, and flea preventatives are paid for by the rescue. You may though, from time to time, have to take your foster hound to an approved BHRG vet appointment while they live with you but that is taken care of by BHRG.
-  What do I have to do? Foster homes have to provide for their foster hound's daily needs, food, shelter, a safe yard to play in. Guidance, manners, potty training, and leash training are all skills you may need to work on with your foster hound. Until your foster hound is adopted, we also ask that you bring them to one adoption event per month so they can meet prospective families who are ready to adopt. See, it's that easy!
-  Do you have any other questions? Feel free to contact our Foster Coordinator, Whitney Harper, and she will be happy to answer ANY question you may have. Whitney can be reached at [whitneycbowles@gmail.com](mailto:whitneycbowles@gmail.com). Then, put in your application TODAY!

## **Many, Many, MANY Thanks to Our Supporters!**

As always our biggest thanks goes to the loyal supporters who generously send donations to help defray our costs! We would also like to thank our Georgia Peach sponsors, as well as the many folks who sponsor a hound, donate (or solicit) items for, or make a donation at one of our annual events. # Spring Fling 2021 Hits Its Fundraising Target

Many thanks to all of the volunteers, donors, and those who attended the 2021 Spring Fling held on May 15, 2021 on Zoom. This year's theme was **Be a Basset Hero** and many of our basset heroes along with their hounds were represented in our video.

This year the event exceeded its target, raising right at **\$105,000** after expenses. Holly Hutton served as our auctioneer and MC. She kept things lively and exciting. Fifty attendees played HOUND, BHRG's new BINGO game. Two of our attendees, **Ann Joyner** and **Lisa Dastous**, tied and split the \$345 pot.

Over 250 people were a part of the Spring Fling's fundraising efforts. Thank you to all who participated in the online silent and jewelry auctions, purchased t-shirts, bought HOUND

cards, participated in the quilt raffle, bid in the live auction, donated during our mission moment, and sponsored the event. We could not have reached our goal without you.

For those of you who couldn't join us here's a few extra highlights and notes:

## We Celebrated Our Extra Special Volunteers

We celebrated our **Volunteer of the Year, Amanda Janes**, and presented a special **Above and Beyond** award to **Whitney Harper and her two delightful children Martha and Burton** who have done so much for the foster families and hounds as they await adoption.

## Puppies!

Introducing Molly and her pups

Spring Fling participants had a chance to "meet" Molly and her puppies, who were fostered by Leah Sin. Leah and her daughter Winter held them up to the camera so we could get to know them. Molly was adopted by Lisa Dastous and her pups have all gone to their forever homes. **We truly are a family.**

The Harpers with Otis

We love you, Amanda!

## Thank you to our very generous sponsors!

Another big thank you to our event sponsors! Your support helped cover the costs of the auction so that the money we raised during the event goes straight to the hounds. Our 2021 Sponsors were: Silent Auction - Ferguson Foundation; Technology - Chuck Grissom; No Hound Left Behind - Magnolia & Butters Echelbarger; HOUND game - Trippy T Hound's Agent; Derby - Hound Es; Heavenly Healer - Chopper & Spencer; Fantastic Fundraiser - Nora Anne Hound; Amazing Adopter - Hiroko & John Hosford, Deborah Lindsay, Alan & Anne Taetle, and Alan & Leslie Wolfe; Fabulous Foster - Melissa Legg; Fearless Finder - Monica Celizic, Debbie's Dawgs, Melody & Logan Gray, Wendy Grissom, Mary & Randy Kraemer, Shallowford Animal Hospital, the Strawn family, Team McGhee (Hogan, Magnolia, & Freddie), and Jennifer Weizenecker; Terrific Transporter - Sandi & Jim Chambers, the Ganguly family, James Giannini MD, Cindy & Steve Pechac, Tami & Stephen Pirkle, and Senior Houndsabout.

## Thank you to the dream team who helped plan and run all of the various components of this year's unique Spring Fling!

So many folks to thank! Marci Thomas & Monica Celizic co-chaired the event with the assistance of spokespersons Nora Anne Hound and Daisy Lucille Celizic. Wendie Price was our t-shirt mailer extraordinaire. And we couldn't have done it without the rest of the team: Kelley Anglin, Jennifer & Jeff Braunwart, Kelley Craven & Jeff Simmons, Molly Drennen, Kristin & Josh Echelbarger, Norie Fabor, Rande Fogelman, Stacey Fuller, Melody & Logan Gray, Patty Grewe-Mullins, Wendy Grissom, Julie Hall, Marjorie Holler, Hiroko Hosford, Amanda Janes, Cheryl Kellner, Tim Maret, and Toni Strawn. One last note of thanks to the amazing Monica Celizic, Kelley Craven, and Toni Strawn who packed over 150 auction items to mail out to the winners - WOWZA!

Spring Fling Mailing Queens!

**SAVE THE DATE** - BHRG is very excited to present our 2022 Spring Fling, to be held on **Saturday, April 30, 2022.**

We will be back in person at the Reid Barn in Cumming, welcoming auctioneer Wendy Miller whose father, Hugh, worked with BHRG for many years. Watch our Facebook page and the BHRG website (**www.bhrg.org**) for announcements as we get closer to the event. But mark your calendars now! You won't want to miss this event.

## Be A Rescued Basset's Foster Hero!!

We are really in need of fosters or forever homes for the hounds below. If you are interested in more information on fostering a hound for BHRG, please reach out to our Foster Coordinator Whitney Harper at [whitneybowles@gmail.com](mailto:whitneybowles@gmail.com).

- **Ferguson** is a 9 year old friendly and happy fella with lots of personality and energy. He loves to sit in your lap and get hugs.
- **Brutus** is a lovely senior gentleman, 10 years or older. After his owner passed away, BHRG stepped up to help Brutus find a home. He is a smushy lovebug. Gets along well with everyone. He is a bit wobbly so few stairs for him, please.
- **Della Rae** is a 6 year old lady who has been passed around a lot. She really needs a stable home. Loves belly rubs and a quiet home with no large dogs.
- **Reba and Tucker** are an 11 year old bonded pair, in good health. They are sweet but can be a bit shy at first and are wary of children.

## Spotlight Hounds

**Eden** is around 2-3, rescued from a backyard breeder with her brother and sister. Poor girl had had very little socialization and was fearful of people. She does love other dogs and doesn't seem to mind kitties.

Eden has been doing wonderfully with her foster mom, Sarah, so it would be a special adopter for her to let Eden go. Below is a short description of this special hound from her foster mom:

"Little Eden is doing amazingly - still fearful of humans but she has shown SO much improvement and has SO much love to give. I love her! Eden really needs someone who is patient and can be okay if she is fearful of them at first, because she will adjust in her own time. She is still working on her housebreaking because she is so fearful that it's hard to redirect her outside, even with positive reinforcement. I've been working with her like a puppy, where I just say "oops" and invite her to come outside, being careful to not scare her. She has a fear of walking through doors and is terrified of being followed which adds an extra challenge to house training. But with all this, she is as sweet as can be and really does crave attention and has so much love to give! She wakes me each morning with kisses and has learned to request belly rubs. This has taken time and I've let her decide when she's ready for everything. So I think a new family would need to be able to be patient with her and meet her where she is with her fears."

**Violet** is around 8 years old, runs to the gate for leash up, and has a wonderful deep Basset bark. She loves EVERYONE and her tail never stops wagging.

Here's what Violet has to say: "While you're scrolling through all of us wonderful Basset Hounds, stop and learn about me! I'm a great companion on walkies and I don't get on furniture. Foster Mom says I'm curious but I just like to find out what's happenin' like checkin' out those huge dogs next door who neigh! I barked at 'em but they ignored me. I don't have a classic white tail tip but Mom found 9 white hairs out there so I'm certainly a Basset. I'm on a special diet but otherwise I'm in great shape for an 8 year old. I'm getting some extra weight off me so soon I'll be svelte again. I'm told I'm a sweetheart, I'm friendly, and I gladly accept belly rubs. I'm not much trouble and I'm so darned cute!"

## Need A Hound Sitter?

## Animal Rescue is HARD Work!

**It requires you to be tough. Being physically or emotionally weak is never an option. It is a 24/7 job. It never ends. You often want to give up but every tail wag and happy ending reminds you why all the time, tears, money, and pain are worth it.**

Thank you, BHRG & ALL Rescue Groups!
